Products | Grinding/Polishing

Compounds and Emulsions

Since our establishment over 75 years ago, we have continued developing and manufacturing high quality buffing compounds and emulsions.

Polishing and Buffing Wheels / Brushes

Let's get a overview of our top quality products. We only use selected, tightly woven, tear resistant cotton cloth.

Belts/Tapes

For many years, we have represented the world-wide known company 3M (Minnesota Mining and Manufacturing Company). Experience more!
